

BAINBRIDGE ISLAND METROPOLITAN PARK & RECREATION DISTRICT

NOTICE OF PUBLIC MEETING
PLANNING THE SAKAI PROPERTY

DATE: January 23, 2016
TIME: 10:00 am - 3:00 pm
PLACE: Bainbridge High School Commons
9330 NE High School Road
Bainbridge Island, Washington

The Bainbridge Island Metropolitan Park & Recreation District purchased the Sakai property through a bond measure approved by the voters of Bainbridge Island in a special election on February 10, 2015, securing 23 acres of parkland in the heart of Winslow. The Park District Board of Commissioners is now seeking public input in planning the parkland and is inviting you to attend this important public meeting.

This will be a one day event with a unique format that will allow community members to shape the future of this parkland. Participants will break into interest groups to generate ideas for the property's use.

The intent of this public meeting is to bring community input into the planning process for the Sakai property. No board action will be taken at this meeting.

If unable to attend, you may ask others to bring your ideas on the day of the event, and then join an interest group of your choice by going to the Park District website the next morning. Comments may also be emailed to Amy Swenson at amy@biparks.org.

Childcare will be available for children five years and older. Snacks and coffee will be provided.

Please contact Amy Swenson with questions by email at amy@biparks.org or phone at 206.842.2306 ext. 123.
