

BAINBRIDGE ISLAND METROPOLITAN PARK & RECREATION DISTRICT

NOTICE OF PUBLIC MEETING
PLANNING THE SAKAI PROPERTY

DATE: July 16, 2016
TIME: 10:00 am - 12:00 noon
PLACE: Bainbridge Island Aquatic Center
8521 Madison Avenue North
Bainbridge Island, Washington 98110

The Bainbridge Island Metropolitan Park & Recreation District is wrapping up its initial public process for the Sakai property, and invites you to attend its third public meeting for planning the Sakai property on July 16, 2016. This 23 acre parcel along Madison Avenue was approved for purchase by the voters of Bainbridge Island in a special election on February 10, 2015.

This July 16 meeting is a follow-up to two other public meetings held for the Sakai property on January 23 and April 23, 2016 during which community generated work groups were formed to research topics related to possible park uses. This meeting will wrap up the work begun at these first two meetings, and provide an opportunity for the work groups to share any additional findings and summarize their work. From this work, a list of ten possible uses for the park will be generated, which is the intended outcome of this public process as defined in the first meeting on January 23.

This meeting is part of an on-going effort to bring community members into the planning process that will shape the future of the Sakai parkland. No board action will be taken at this meeting. Snacks and coffee will be provided.
